'Guiding pilgrims to the Sacred land,
with trust & excellence'

Imagine the moment your eyes fall upon the Ka'bah for the very first time. Peace envelops you. Silence surrounds you. Light fills your heart. The beauty and blessedness of that sacred moment are beyond words, too profound to fully describe, yet deeply personal and life-altering.

As you stand in the most sacred place on Earth, a sense of tranquillity descends upon your soul. Your heart swells with overwhelming emotions, and tears flow uncontrollably down your cheeks. How do you explain the feeling of standing before the House of Allah, the culmination of your hopes and prayers?

This is not just a journey; this is the beginning of the most sacred experience of your lifetime.

IMPORTANT...

Hajj can be physically very demanding. Unfortunately we are not able to take responsibility for any pilgrims that have special requirements.

In order to complete the rites of Hajj we require that all pilgrims are fit enough to walk for approximately 3 miles. In case any pilgrim is not fit enough to do so, he/she should take a wheelchair with them as well as a companion who will take responsibility for them. We also strongly recommend that pilgrims seek medical clearance from their GP before booking, particularly the elderly and sick.

Please note that the journey of Hajj cannot be equated to holiday travel. During this journey the unexpected is often the norm; despite careful planning and organisation the Hajj journey can never be taken for granted like a normal holiday. Hotels, Transport and Public services are all pushed to their limits during Hajj season, therefore do not expect that same level of service that you are accustomed in the UK. Due to the large number of pilgrims in a small area, the crowds can be overwhelming, also due to major traffic, congestions, expect very long delays whilst waiting for buses to arrive and moving from one location to another, especially during the days of the Hajj Rites.

DIAMOND HAJJ PACKAGE

STAYING IN MAKKAH ECONOMY HOTEL INSTEAD OF AZIZIYAH

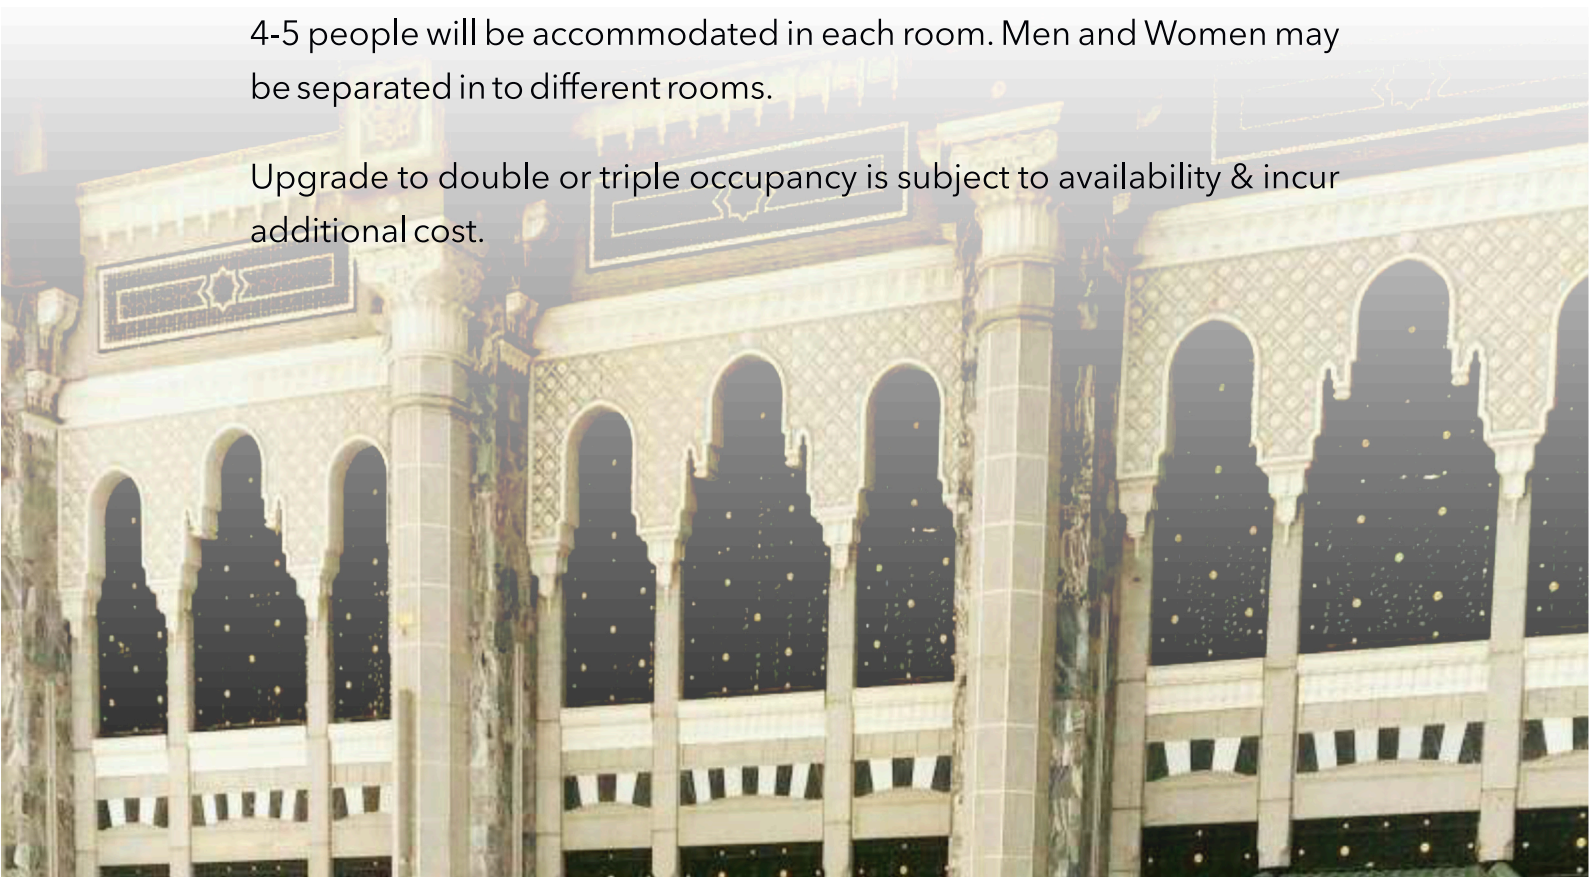

We are not staying in Aziziya. We have secured a building in Makkah which is walking distance from Haram.

Choosing a budget friendly hotel close to sacred mosque allows you to enjoy the spiritual & practical benefits of proximity. You can perform prayers & tawaf with ease, without the hassle long commute or crowded shuttle services.

We will be spending 2 days before Hajj and 2 days after Hajj in our Makkah Economy Hotel to avoid the higher cost of 5 Star Hotels near the Haram. These 4-5 days are most expensive in terms of pricing of 5 star hotels.

4-5 people will be accommodated in each room. Men and Women may be separated in to different rooms.

Upgrade to double or triple occupancy is subject to availability & incur additional cost.
